

Announcement of a selection proceeding for allocation of scholarships to foreign applicants interested in Doctoral Study Programmes at the Faculty of Mechanical Engineering at the Technical University of Liberec in the English language for the academic year of 2014/2015 – 2017/2018, with studies commencing in the academic year of 2014/2015

1. The Dean of the Faculty of Mechanical Engineering at the Technical University of Liberec announces a selection proceeding to allocate scholarships to three foreign applicants interested in full-time studies in a doctoral study course in the English language at the Faculty of Mechanical Engineering at the Technical University of Liberec for the academic years of 2014/2015 – 2017/2018, with the study course commencing in the academic year of 2014/2015.
2. The scholarship in the value of CZK 102,000¹/applicant/academic year will be paid out monthly for the standard study period, i.e. over a period of 4 years, under the condition that study obligations are duly met.
3. The scholarship application must contain:
 - an application for inclusion in the selection proceeding,
 - documents of previous studies – Diploma, Transcript of Records,
 - structured curriculum vitae,
 - motivational letter,
 - a letter of recommendation from a professor at an institution, where you studied/worked,
 - a document proving your English language skills
4. Scholarship applications are accepted in electronic form until 31/08/2014 to the attention of Marcela Válková – marcela.valkova@tul.cz
5. The results of the selection proceeding will be announced to the applicants by 15/09/2014 and the scholarship will be acknowledged to those applicants who meet the conditions of the admittance proceeding and are registered for studies at the Faculty of Mechanical Engineering at the Technical University of Liberec.
6. The conditions for allocating a scholarship for the academic year of 2014/2015 and related terms and conditions are defined by the study regulations and the Statute of the Technical University of Liberec.

prof. Dr. Ing. Petr Lenfeld 

Dean of the Faculty of Mechanical Engineering
at the Technical University of Liberec

In Liberec, on 30/07/2014

¹ This amount is equivalent to approximately USD 5,000.00
