

Dear Ph.D. students,

## **WORKSHOP FOR PH.D. STUDENTS OF FACULTY OF TEXTILE ENGINEERING AND FACULTY OF MECHANICAL ENGINEERING TUL**

will take place during 16th – 19th of September in Rokytnice nad Jizerou.

This workshop is organized annually in frame of the development plan of Technical university of Liberec with support of the development project of Ministry of Education, Youth and Sports in Czech Republic. This workshop will be devoted to oral presentations of Ph.D. students about their current achievements in the area of science and research.

During this meeting, presentations of invited speakers will take place. Workshop program will be announced in advance. Short presentations of Ph.D. students (about 15 minutes each) will take place beside the lectures of invited speakers.
