

## Invitation to workshop

### „Introduction to the University of Novi Sad and the Collaboration with Industry in Research and Education“

Being held within the framework of the Effective process of technology transfer project in the Technical university of Liberec reg. n. CZ.02.2.69/0.0/0.0/16\_014/0000631

**When:** 19. 06. 2019, 9:00

**Where:** meeting room building L, 4th floor

**Speaker:**

**Assoc. Prof. Siniša Bikić, Ph.D.**

Siniša Bikić is associate professor at University of Novi Sad, Faculty of Technical Sciences, Department of Energy and Process Engineering in Novi Sad, Republic of Serbia. He teaches fluid mechanics, hydraulics and pneumatics and computational fluid dynamics. He deals with nanofluids and fluid flow measurements. Siniša Bikić is very active in international cooperation: Erasmus+ K1 department coordinator; MC of COST action “Overcoming Barriers to Nanofluid Market Uptake” and main coordinator of CEEPUS network “Building Knowledge and Experience Exchange in CFD”.

**Annotation:**

Siniša Bikić will in the frame of presentation introduce University of Novi Sad and Faculty of Technical Sciences. He will present the collaboration of Faculty of Technical Sciences with the industry. Within the presentation he will put the accent at collaboration of his scientific group with industry in the field of research and education.

I look forward to meeting you

doc. Ing. Stanislav Petřík, CSc.

Guarantor of educational activities
