

Dean's Regulation				
no. 6/2017				
Name:	Determining the maximum number of qualifying thesis			
	Name:	Position:	Date:	Signature:
Guarantor:	Professor Petr Lenfeld	Dean		
Juridical Control:	Michal Prokop, M.A.	Lawyer		
Expert:	Anna Benešová, M.Sc.	Secretary		
Approved by:	Professor Petr Lenfeld	Date:		
Revision:	00	In Force:	September 9. 2017	
File Sign:	A I 3 2	Shredding sign:	A 5	

Article 1

- (1) Maximum number of final papers is 5 diploma theses and 5 bachelor's theses that are simultaneously supervised by one full-time academic worker.
- (2) Maximum number of postgraduate students that are supervised by one full-time academic worker is 5.
- (3) Maximum number of supervised works as well as the maximum number of supervised postgraduates is proportional to working hours of the academic worker. In justified cases, the dean may grant an exception regarding the maximum number of qualification works / postgraduates supervised simultaneously by one academic worker.

Article 2

This regulation is coming in force on September 1, 2017.
