

# TUL SUSTAINABLE NANOMATERIALS : SYNTHESIS, PROPERTIES AND APPLICATIONS IN BIOMEDICAL AND CLEAN-TECH INDUSTRY

Guest Lecture by Professor Michael Tam  
Waterloo Institute of Nanotechnology, University of Waterloo, Canada

---

TUESDAY 23.6. 2026 | 09:00  
BUILDING L | 4TH FLOOR

---

Organised as part of the Summer School for Erasmus  
Plus Blended Intensive Programme NANOMATERIALS  
FOR MEDICAL AND TECHNICAL APPLICATIONS by  
Faculty of Mechanical Engineering | Faculty of Sciences, Humanities  
and Education
