

**Information for students of master degree programmes, who will be taking
the state final exam (SFE)**

in June 2023

Students can register for the state final exam only after completion of all exams and credits according to the curriculum and submission of the final thesis.

Final thesis submission:

Before submitting the final thesis at the Department, it is necessary to enter the title of the thesis in English, annotation in English, keywords in English, the number of pages of the thesis into the IS STAG and to upload your thesis in pdf (stag / My studies / Final theses / Complete data about Master thesis).

Without entering all the data and uploading the thesis to the IS STAG, it **is not possible** to submit the thesis at the Department and register for the SFE.

Deadline for submitting the final thesis (at Department) **29 May 2023**

Deadline for registration for the SFE – (at Study Office) **2 June 2023**

SFE's period **12 June 2023 – 23 June 2023**

In case of any problems and doubts, please contact Study Office.
